Hole-in-One Contest Rules

1. The first 90 golfers who purchase a Hole-in-One contest ticket are eligible.
2. Any Hole-in-One must have been obtained by an officially registered and qualified contestant.

Golf Professionals of any kind are not qualified to be contestants unless specifically authorized in writing. You are a contestant of the Hole-in-One contest upon purchase of a contest ticket as part of the contest package.

3. Only one shot per player per target hole is permitted. No practice shots, mulligans or substituted shots for any contestants are permitted. Shots are only permitted during the stipulated rounds.
4. Only Hole #13 shall be eligible for the prize.
5. The yardage must be at least 160 yards, measured from tee marker to the flagstick. Any shot made from a distance less than 160 yards shall not qualify for the prize, and may not be retaken.
6. The scorecard for hole #13 reads 163 yards, but we will set the tee marker at 160. Depending on where the flag stick is that day, the golf course will laser the

distance when they set the tee markers. Therefore, if a woman tees off at 149 yards, she will not be eligible for the Hole-in-One prize. If she tees off from the 160-yard tee, then she would be eligible to win the prize. All contestants who want to be eligible for the Hole-in-One prize must tee off from the designated tee.

7. Two volunteers (witnesses) (18 years or older), not participating in the shot for the prize, must be stationed at Hole #13 for all prize attempts at that hole.
A minimum of two witnesses is required.
8. The Prize Value amount of \$10,000 is the maximum that will be paid, regardless of how many Hole-in-Ones are scored. Prize money will be paid out evenly to winners of contest.
9. The Prize Value amount of \$10,000 will be paid directly to the contestant regardless of who paid for the Hole-in-One ticket on behalf of the contestant.
10. In addition to the "Hole-in-One Claim" Form, the original score card of the contestant must be submitted and signed by all participants in the contestant's foursome.

Package and with Super Pack Fee

Black Widow Contest 1 ball per team

Each team receives a golf ball (the Black Widow) prior to the shotgun start. The ball will be marked to indicate the team it belongs to. The object is to return the Black Widow that your team was given at the end of the outing.

RULES: On each hole, one team member must play the marked golf ball. The team can decide who plays it on each hole, but by the end of the 18 holes, each team member must have used the black ball on 50% of the holes, or until the ball is lost. Teams returning with their Black Widow at the end of the round will turn it in at the clubhouse and their team names will go into the drawing for the 50/50 cash prize.

Betting Holes Holes: #5, #7, and #18

From 10 feet, if your tee shot is on the green you get an additional five drawing tickets; if your shot is in the circle you get 10 additional drawing tickets. At the end of the outing one ticket will be drawn for 50% of the pot for each hole.

Putting Contest (2 chances)

Everyone participating gets one ticket. Starting from 20 feet from the hole, if you get one ball in the hole you get five more drawing tickets. If you get the second ball in the hole, you get another five drawing tickets. At the end of the outing, one ticket will be drawn for 50% of the pot on this contest.

Chipping Contest (2 chances)

Everyone participating gets one ticket. Starting from 45 feet from the hole, if you get a ball within the three-foot radius around the hole, you get five more drawing tickets. If you get a ball in the hole, you get 10 additional tickets. At the end of the outing, one ticket will be drawn for 50% of the pot on this contest.

Hole-in-One Contest Hole #13 only
 Limit one chance per player. See rules on back page. \$10,000 payout.

Additional Contests and Raffles

Mulligans \$10 for 2

Limit two per player. A Mulligan is a chance to take a shot again. A maximum of two per player. One can be used per player for each nine holes. A Mulligan can be used to redo any shot with the exception of Hole #13 (the Hole-in-One Contest).

Dice Roll Contest \$1 for once chance (pay at hole ONLY)

Everyone participating rolls 5 dice in the dice box. If the dice successfully spells "TREES" you are a winner!

Raffles

Purchase raffle tickets to bid on some great donated prizes.

The Format is a two-person scramble with a shotgun start with Gross and Blind Bogey Divisions. A scramble means that all team members tee off on each hole and decide as a group which tee shot is best and mark the spot with a tee or ball marker. The event also includes several challenge holes, putting and chipping contests, and raffles for a variety of prizes. **There is also an opportunity to win \$10,000 in the Hole-in-One Contest.**

The Rules

- Maximum 144 players. Game day is rain or shine. Depending on weather conditions, and how far into play we are, the golf pro will determine no play and whether rain checks will be issued for future play. Regardless of rain or shine we will continue our fundraiser by enjoying lunch and raffles.
- Using each member of the two-some's drive, the team selects the best shot and both players hit from within 6 inches of that spot without improving the position.
- When hitting from the best shot, the ball must be placed within 6 inches of its original location.
 Moving the ball from the rough to the fairway is not allowed. If the ball chosen is in the rough, the ball dropped must also be in the rough. If it is behind a tree, the ball dropped must also be behind the tree.
- Play continues in the same manner until the hole is completed. Record one gross score for the team on the scorecard starting on the same hole you began play. The "Official" scorecard must be exchanged in the group.
- Both players can bump their ball – Winter Rules.
- Men play from the white tees; women play from the red tees.
- All putts must be holed out.
- The road, driveway, and parking lot are out-of-bounds.
- White stakes and fences define out-of-bounds.
- Red stakes and lines around ponds define lateral water hazards.
- Mulligans cannot be used on Flag Events.
- After the 18-hole competition is completed, turn your scorecard in at the scoreboard in the clubhouse. Team scores for 6 randomly selected holes will be totaled as to over and under par and multiplied by 3. This becomes the Blind Bogey (BB) handicap. If your BB handicap is under par, your handicap will be added to your gross score to determine your Blind Bogey Net score. If your BB handicap is over par, your handicap will be subtracted from your score to determine your Blind Bogey Net score.
Example 1: If a team has 3 birdies, 2 pars, and a bogey on the 6 holes chosen, they are a $-2 \times 3 = -6$ handicap. If their gross score is 68, their BB Net score will be 74.
Example 2: If a team has 1 birdie, 2 pars, and 3 bogeys on the 6 holes chosen, they are a $+2 \times 3 = +6$ handicap. If their gross score is 72, their BB Net score will be 66.
 Teams can win in either the Gross or Blind Bogey Division, but not in both.
