2019 Environmental Education Internship Positions!

Trees For Tomorrow Natural Resources Specialty School, located in Eagle River, Wisconsin, is searching for two highly motivated individuals interested in gaining experience teaching people of all ages about sustainability and proper management of natural resources.

2 positions June 10 – August 16 (some flexibility in start and end dates)

Qualifications:

- At least 18 years old.
- Willingness to learn and teach in the classroom and various outdoor settings using various equipment such as canoes.
- Positive attitude and ability to work well with others.
- Ability to communicate with a variety of ages and backgrounds.
- Current student in natural resources, biology, education or related fields.
- First Aid/CPR certification through internship term is desirable. (Lifeguard certification a plus!)
- Willingness to work variety of shifts, including nights and weekends.
- Willingness to drive a 15-passenger van with canoe trailer.
- Willingness to work with animal artifacts such as skulls, pelts, and related taxidermy.
- Ability to walk 5 miles over rough terrain with a 20-pound pack.

Benefits/Experience Gained:

- TFT staff willing to work with you to gain internship credits through your school.
- On-site living in a dorm with lounge and most meals provided by our food service staff.
- One-on-one training and professional development opportunities.
- Learn effective hands-on teaching techniques for inquiry and experiential education.
- Valuable teaching experience under the mentorship of professional teaching staff.
- Opportunity to create and evaluate own lesson plan.
- Experience in animal care and handling (including snakes, turtle, raptor).
- Networking opportunities with local resource professionals.
- Making new friends and lifelong memories while living in the Northwoods!
- A \$1400 scholarship will be awarded upon completion.

Questions or To apply: Send cover letter, resume, and include at least 2 letters of reference to
