11TH BIENNIAL FOREST FEST FUNDRAISER

Dear Friend of the Forest

Join Us in Celebrating the Forest and Inspiring Future Stewards!

Support Forest Fest 2026 at Trees For Tomorrow

Trees For Tomorrow invites you to partner with us for Forest Fest 2026—a free, biennial community event that brings together families, educators, professionals, and nature lovers to celebrate the past, present, and future of the timber industry and sustainable forestry in the Northwoods.

Held every even-numbered year, Forest Fest draws more than 1,000 attendees who enjoy an exciting day of live demonstrations, interactive exhibits, hands-on kids' activities, food, and educational presentations. From learning how logging equipment has evolved to understanding the importance of forest management, this event helps foster a deeper connection between our community and the natural resources we rely on.

We invite you to sponsor this unique outreach event—not only to support Forest Fest itself but to help fund our School Outdoor Learning Experiences (SOLE) for K-12 programs. These immersive programs give students hands-on learning in topics like forest succession, lake ecology, bog ecosystems, wildlife management, and sustainable forestry practices.

Many of the schools we serve need financial assistance to attend our campus in Eagle River. Your sponsorship helps bridge that gap, ensuring every student has access to transformative outdoor learning experiences—regardless of economic barriers.

Your partnership makes Forest Fest possible—and ensures our next generation understands the value of responsible natural resource management.

We hope you'll join us in making Forest Fest 2026 the best one yet. Together, we can inspire curiosity, stewardship, and community.

With gratitude,

Cheryl Todea, Executive Director

SPONSORSHIP OPPORTUNITIES

Forest Fest is a time for organizations with similar missions to unite for a day-long celebration and a chance to share their enthusiasm for natural resources with the public. Event sponsorship ensures that Forest Fest remains free to the public, exhibitors and demonstrators. Funds raised from the event will also provide scholarships to K-12 students so they can enjoy reduced admission fees.

Your sponsorship will help us raise at least \$20,000 during the event to ensure at least 1,000 more K-12 students have access to affordable outdoor learning experiences at Trees For Tomorrow in 2026/27.
