## Forest Fest Registration Packet

*Saturday, July 25, 2026*

*Held at Trees for Tomorrow's Campus  
519 E Sheridan St, Eagle River, WI 54521*

---

**Thank you for your interest in registering as an exhibitor or demonstrator for the 2026 Forest Fest!**

Forest Fest is a celebration of all things related to the forest, with a focus on the benefits of sound forest management practices—including wood products, wildlife, water resources, wilderness, and outdoor recreation. Held on our campus in Eagle River, WI, this fundraising event supports Trees For Tomorrow (TFT) and our mission to promote sustainable natural resources management through transformative real-life educational experiences.

It's also a fantastic opportunity to:

- Educate the public on Wisconsin's rich logging history and current forestry practices.
- Promote environmental education and sustainability.
- Connect with like-minded individuals and organizations.
- Inspire future environmental stewards through hands-on outreach.

With Forest Fest focused on hands-on learning and exploration, we're keeping the event vendor-free—no items will be sold on-site. Instead, we're encouraging all exhibitors and demonstrators to join us in creating a fun and educational atmosphere by offering an **interactive activity** for attendees. As part of this, **participation in our Passport Program is required**. This popular program invites kids to visit each booth, complete activities, and collect stamps they can trade in for prizes—adding an extra layer of engagement and excitement to the day!

We look forward to working with partners like you to make 2026's Forest Fest a meaningful and memorable event!
