Dear Friend of Trees For Tomorrow

For 80 years, Trees For Tomorrow has been educating today's youth to become tomorrow's stewards of our natural world—thanks to the generous support of sponsors, members, and donors like you.

To ensure this legacy continues, we're excited to announce the return of our popular Golf Outing Fundraiser—and we invite you to be part of it as a sponsor.

This event is more than just a round of golf or writing a check—it's a day filled with fun, friendly competition, great food, and meaningful conversations. It's also one of our most eagerly anticipated events of the year, filling up fast with participants who return year after year to support our mission and reconnect with fellow supporters.

This year, our goal to raise at least \$30,000, and your sponsorship will help make that possible. It's a unique opportunity to align your brand with a cause that's shaping the future of conservation and outdoor education.

Here's what your sponsorship supports:

- **Impact:** Every dollar raised gives students 12 more minutes of hands-on learning in sustainable natural resource management at Trees For Tomorrow.
- **Visibility:** Your brand will be recognized during the event and in all promotional materials leading up to it.
- **Connection:** You'll engage with local business leaders, community members, and fellow advocates in a relaxed, welcoming setting.

We offer a variety of sponsorship levels to fit your goals—each with valuable benefits.

Thank you for considering this opportunity to support the next generation of environmental stewards.

Sincerely,

Cheryl Todea, TFT Alumna and Executive Director
