*Dear Friend of Trees For Tomorrow*

I hope this message finds you well and that you have been able to enjoy the snow, sunshine, and periodic warmer weather these days. We are!!! Campus has been busy with students enjoying this weather too.

As you know, for almost 80 years, Trees For Tomorrow has been doing our part to educate today's youth to be tomorrow's stewards of our natural world.

I'm writing today to ask you to help more students have access to a Trees For Tomorrow environmental education experience by supporting our 22nd Annual Spring Golf Outing Fundraiser.

Your support will help us reach our goal of raising at least \$25,000 this spring to ensure at least 1,000 more students, regardless of their economic background, have access to environmental education programming at Trees For Tomorrow.

Help us celebrate our 22nd Annual Spring Fundraiser by:

- Becoming an event sponsor
- Registering a team or two for the event
- Donating a raffle prize
- Recommending others to do one of the above!

Your support makes a critical impact in the lives of the next generation! I promise you!

Sincerely,

A handwritten signature in black ink that reads "Cheryl Todea".
