## Become part of #TeamTrees!

**Benefits:** Trees For Tomorrow volunteers are an important and integral part of our non-profit organization. In addition to the social support from our great staff, our volunteers receive complimentary food and beverage during their volunteer shift when available on-site and are welcome to stay and participate in all programs and events they are assisting with at no charge. Volunteers also earn points to apply to other TFT programs.

**Shifts:** Volunteers are typically scheduled in 2, 4 or 6-hour shifts depending on their preference. Let TFT staff know if you have special considerations or limitations and we will do our best to accommodate.

**Expectations:** Volunteers are required to fill out an application and keep their information current. Those who choose to work directly with students, will need to pass a background check. Volunteers are asked to track their time for each project.

**Contact:** Ashley Duffek, Volunteer Coordinator, ashley@TreesForTomorrow.com or 715.479.6456
